## Marketing package for CMS 2019

With the **Media Package**, Messe Berlin is offering CMS exhibitors a series of selected **marketing tools** designed to strengthen their trade show participation and enhance their presence on the market.

The Media Package includes entries in the **CMS Guide**, **CMS App** and the **CMS Virtual Market Place** - the official online exhibitor and product search tool of CMS.

The Media Package is included in the stand application for an obligatory one-off fee. Main exhibitors and co-exhibitors can book a package upgrade at any time. If you book multiple stands, the Media Package is charged only once at the price corresponding to the largest stand.
