The highlights of CMS Berlin at a glance

CMS Berlin is more than just a trade show. With its extensive supporting programme it provides everything that you as a visiting professional need to conduct real business: Valuable practical advice, focal points of the exhibition, top awards and a wide range of digital features. An attractive event awaits you, offering everything that you could possibly want!

Berlin

Germany's capital is not only a political, business and cultural centre. With 13.5 million visitors annually and 32.9 million overnights, Berlin is among the top 3 destinations in Europe. This is also reflected in the high demand for products and services to meet all kinds of cleaning and hygiene requirements. So, in many respects, Berlin is the ideal venue for CMS Berlin.

CMS Practical Forum

- General framework for the building cleaning trades
- Trends in building cleaning, hygiene and health and in hotels and catering

B2B Circles

- Mobility Cleaning Circle
- Innovation Circle

CMS Purus Innovation Award

- Awards for innovation

CMS Special Shows

- Grounds maintenance
- Aerial work platforms
- Facade cleaning

Messe Berlin

A platform for the entire industry

Germany is the leading European market for every kind of product and service for cleaning, management and services – and that makes Berlin the ideal location for the year's most important meeting place for the industry. CMS Berlin shows the way for everyone who wants to profit from contemporary hygiene: The main brands and innovations are here! In 2019 this is the only place to find all the collected expertise.

Experience the year's main topics here

Technical trends and solutions, improved services and numerous innovations covering every aspect of efficient cleaning, for example in hotels, catering and healthcare – CMS Berlin features it all. There is a focus on trends such as mobility cleaning, sustainability and digitalisation, as well as on networking with the global cleaning industry. Take this opportunity to make outstanding contacts and gain new insights!
